The Spirit of '83

The spirit of JHS unifies us, ties us all together, makes us one. It is with us during classes and at lunch, and at after school practices and performances.

A Jackson High Red Devil is always reaching toward his goals, toward his successes. Even though he may experience failures, it is the Devil Spirit that carries him through. He is always striving to achieve something better. That is the spirit of JHS.

Homecoming Highlights

Classy Classes Take Place at JHS

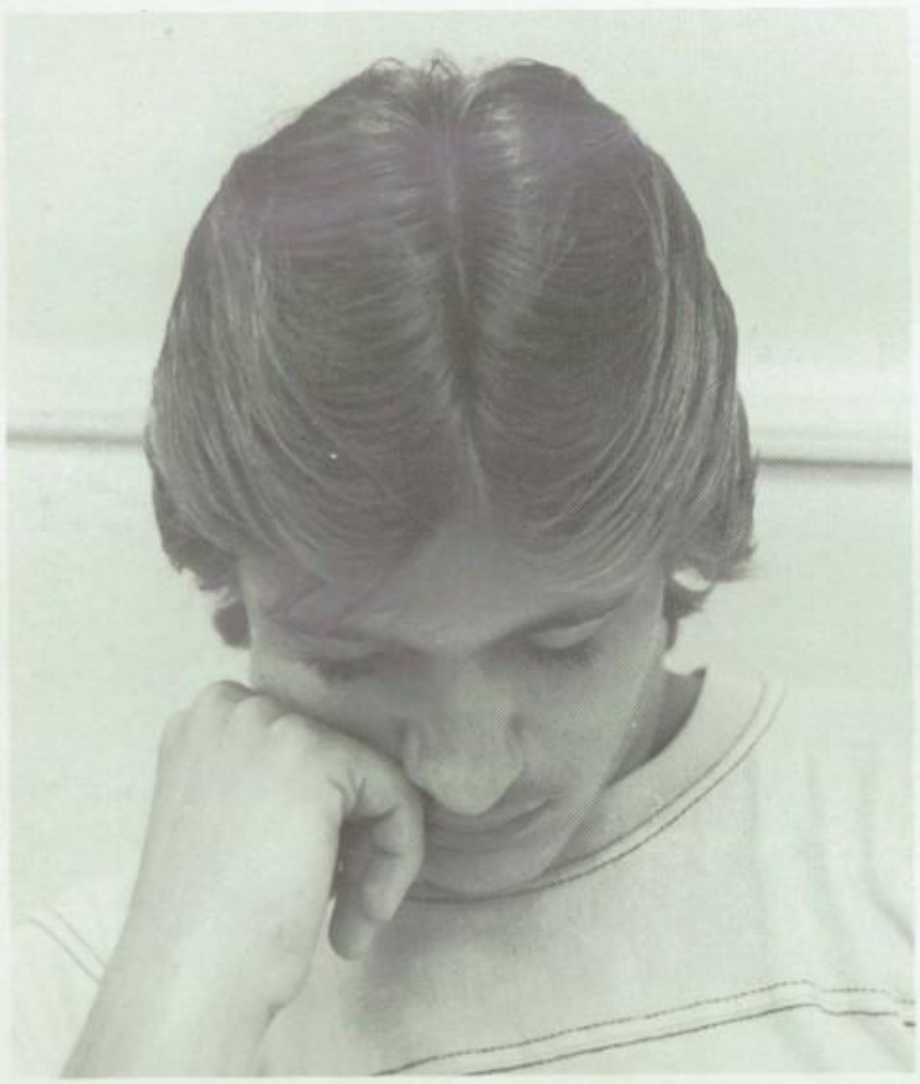
On the PE field, behind a desk or in a lab, Devils are exposed to a variety of learning experiences. A true Red Devil goes at it with fervor and dedication, even if it's only schoolwork!

A Wild & Crazy Spirit

Hundreds of spirited students participated in Freaky Day during Homecoming Week. Creative students took advantage of the opportunity to legally freak out. A visitor on campus would have been amazed at the sight of some of the costumes, but for the students at JHS, it was all in a Freaky Day's work.

Spirited Faces

Our spirit shines through our faces, revealing our moods, emotions, and inner thoughts. A happy thought is a happy face. Faces can show confusion, sorrow, fun, and frustration. These are the faces of JHS.



Spirit of Improvement Reigns Under Hutcheson and James

On September 26, 1982, the new physical education, art, and music facility was dedicated.

The new facility was built by White Builders of Jackson at a cost of $769,000. It took approximately 14 months to complete the 15,750 square foot complex. Jackson High had been without a P.E. facility since January 21, 1981, when the building, which had served Butts county for 40 years, burned to the ground.

In addition to a gymnasium, health classrooms, and locker rooms, the new complex also houses an acoustical band room, several individual practice rooms and a well-equipped art suite complete with darkroom.

Mr. James said, "We now have something to really be proud of. We have a great music and art facility. For the first time, Jackson High has a P.E. facility suitable to host tournaments. This is something that JHS students can enjoy for many years."

Girls Battle Their Way to Washington

In order to raise money for the Close-Up trip to Washington, D.C., the senior and junior girls battled it out on the football field with sophomores and freshmen.

The lower classmen dominated from the beginning, but the seniors and juniors never gave up, coming back with full force in the second half, but to no avail. The final score was 44-14 in favor of the classes of '85 and '86.

Outstanding players for the game were: freshman Jennifer McLendon; sophomores Brenda and Linda Sims; junior Julie Dennard and Leslie Stephens; and senior Linda Parrish.

Abnormal cheerleaders for the '83 and '84 team led the crowd in spirited cheers. At halftime the homecoming court elected Ron Lassiter as their queen. The coach for the '83 and '84 team was Chris Howell. For the '85 and '86 team, the coach was Larkin Lee.

Close-Up raised over $300 in ticket sales and concessions.

Sports

Jackson Wins Big in Opener

Jackson High's 1982 football season opened at Red Devil Hill with Jackson defeating Henry Co. 41-7.

Jackson's offense was explosive, generating 234 yards on the ground, and 77 yards through the air on only three completions, one for 50 yards and another for 30 yards. Monica Head had a touchdown reception of seven yards.

Jackson's top rushers were Ricky Akins, who gained 48 yards on nine carries, with three touchdowns, and Marvin Smith who also gained 48 yards on only eight carries with one touchdown. Eddie Berry scored on a three yard touchdown.

Chris Howell had three PAT's and T-Byrd O'Neal had two.

Jackson's defense was as overwhelming as the offense, holding Henry Co. to only seven points. They also recovered a fumble and made an interception.

Devils have 4 and 1 record at halfway mark.

Following their conquest of Henry County, The Devils had a week off. On September 10, they traveled to Gray, Georgia, seeking revenge on the Jones County Greyhounds. An unrelenting drizzle continued throughout the game, but this did not affect Jackson, as it won its second straight game, 25-6. The Devils' line was outstanding. Offensively, it opened gaping holes for the backs, and defensively, it caused eight Greyhound fumbles, five of which were recovered by Jackson.

The most entertaining game of the year was at Red Devil Hill, a see-saw battle with the Trojans of Lamar County. Jackson scored first, but Lamar County filled the air with

passes and assumed a 14-6 halftime lead. The Devils came out fired up for the second half. A quick touchdown and two-point conversion tied the score, and Jackson took a 21-14 lead with a fourth quarter touchdown. Lamar County returned a punt to tie the score. Jackson assumed possession with little time left. The game appeared to be headed for overtime when the Red Devils stormed down the field on two long gainers by fullback Marvin Smith, who took it from 25 yards. The war was apparently over. The Trojans refused to give up,

however, and a couple of completions had them back in Jackson territory. With less than a minute left, the Lamar County quarterback fired a long pass intended for his receiver in the end zone. Ricky Akins leaped and came down with an interception to seal a 28-21 Jackson victory in the first regional test of the year for the Devils.

Riding the wave of a three game winning streak, the Red Devils traveled to Pike county to face the Pirates. The opening drive by the boys from Zebulon provided them with all their points for the night. The Red Devils' defense bent, but refused to break in an admirable goal line stand just before halftime which diverted the momentum from Pike County to the Devils. Ricky Akins and

Anthony Head both had touchdown runs, while Jackson shut down the Pirates' offense for a 12-7 victory and a 4-0 record.

Jackson had high hopes of upsetting R. E. Lee, the state's number one ranked AA club, when these two undefeated teams clashed on Red Devil Hill. After trading punts with the Devils, the Rebels marched for the first of three first half touchdowns. Though the Devils did not give up they were too far behind to come back and eventually lost, 48-7. Jackson's record dropped to 4-1, still among the leaders of our region.

The second half of the season began on the road in Forsyth. Mary Persons, long-time rivals of the Devils, was our opponent. Early missed opportunities came back to haunt Jackson. Every scoring effort by the Red Devils was stopped by fumbles or penalties. The defense played tough; and when Frederick Burns scored on an 18 yard jaunt, the Devils were behind by the score of 14-7 at halftime. We couldn't build any offensive momentum in the second half, and lost by a 24-7 score. The early season overexertion was beginning to show in the Devils performance.

The Red Devils were on the road again the next week, taking their 4-2 record to Manchester with hopes of breaking out of their losing streak. Led by a solid ground game, the Blue Devils built a 21-0 halftime lead. Jackson was fired up for the second half, and a long touchdown pass from quarterback Michael Sheppard to split end Modica Head gave the Red Devils momentum. The ensuing kickoff bounced off a Manchester player and into the arms of an awaiting Devil. The Devil's drive was soon halted by a fumble which also ended the Devils' momentum. The Blue Devils prevailed, 28-7.

Homecoming was the answer to the Devils' problem. The fired-up home crowd was a welcome sight for the Jackson players. The Taylor County Vikings were the unlucky recipients of the Devils' frustration. The Vikings scored early for a 6-0 lead, but when Jackson put together a great goal line stand, the Big Red Machine got rolling. Touchdown runs by Marvin Smith and Michael Sheppard brought the Devils a 13-12 halftime lead. Led by three second half touchdowns by halfback Ricky Akins, Jackson dominated Taylor County for a 34-18 victory.

The clash of the Red Devils occurred the next week when we traveled to Hawkinsville, seeking to clinch a winning season and pursue our playoff hopes. Their Red Devils took a six-point lead in the first quarter, but failed on the PAT, and when Michael Sheppard scored on a 2-yard run in the second quarter, we had a 7-6 lead. A Hawkinsville fumble gave us good field position again, but their defense tightened up, and we had to settle for a field goal and a 4 point advantage. We fell behind 14-10, and could not score again before halftime. The two teams traded touchdowns in the third quarter. Ours came on an exciting 77-yard touchdown run by Anthony Head. The successful two-point conversion that followed closed the gap to 21-18. Hawkinsville went to the air, and a fourth quarter TD gave them a 28-18 lead. With less that 5 minutes left, their Devils had the ball, the lead, and the momentum. However, we refused to give up. The spirited defense caused a Hawkinsville fumble, which we recovered. A quick drive resulted in a touchdown pass from Sheppard to Modica Head, which closed the gap to 28-25. A successful on-sides kickoff gave our Devils the ball deep in Hawkinsville territory. Ricky Akins took a handoff and ran wide to the right side, dodging several defenders. He reached the two yard line when he was tackled and mass confusion broke loose. It was finally decided that he had fumbled, and Hawkinsville recovered. Our Red Devils pushed them into the end zone for a safety, but we were still down, 28-27. A free kick gave us great field position, but a fumble ended the game. The Devils showed great desire and heart in this game, which would eventually pay off in the form of a winning season.

The Bleckley County Royals came to town the next week. This game was crucial, for the winner would probably make the playoffs. We had not been involved in post-season play in 19 years, and the town was excited. We came out fired-up and forced the Royals to fumble on the first play from scrimmage. A Red Devil recovery at the Royals' 23 set up the first Jackson score, a 2-yard run by Ricky Akins and a 7-0 lead. Bleckley came back for two TD's, and a 14-7 lead after two quarters' play. Realizing that this was a must win situation, our Devils' played with superintensity in the final two quarters. Just like last week, the opposing team had the ball in our territory, threatening to increase their lead. Just like last week, we came up with a crucial fumble recovery as our momentum began to build. A 32-yard touchdown sweep by Ricky Akins began the Devils outburst, which included a touchdown pass from Michael Sheppard to Tyrone Head and a TD run by Sheppard. We held the Royals to 5 yards total offense in the second half and prevailed, 28-14. This gave us a 6-4 record and put us in the playoffs after a 19-year drought! On to Thomaston, and a chance to get revenge on the R. E. Lee Rebels.

The field was wet and muddy, and overall the conditions were poor. The Rebels jumped to an early 13-0 lead, and we could never catch up. The final score was 42-7, and although we really wanted to win this game, we were able to take pride in our accomplishments this season. We owe thanks to our Red and White Devils. They provided us with exciting football because they always played with all their heart and showed much desire. For this we say, THANK YOU RED DEVILS!

Devils Have Spirited '82 Finish As 3AA Champs

The Red Devils baseball team, coached by Bill Nelson, were the 1982 champs of Region 3AA having only one sub-region loss. This was the sixth consecutive year our talented players have placed first in our region.

Outstanding pitching from Joey Maddox, Modica Head, and Vincent Wise, plus slugging power from Danny Dahlin, Bobby Stodghill, Modica Head and Vincent Wise brought the devil team to the top. T-Byrd O'Neal contributed clutch catching down the stretch.

Making Tracks

The JHS boys' track team, led by Coach Charles Garrard, ran off with several regional victories last season. Placing first with a time of 43:5 seconds was the 440 relay team, which went to state competition. The team included Victor Barber, Anthony Head, Phillip Johnson, and Franklin Hartsfield. Derek Miller placed first in the 330 yard intermediate hurdles, and placed second in the 440 yard dash with a time of 50:2. In state competition Miller broke school records in each event.

Others placing second included Reginald Patterson in the 880 yard dash and Victor Barber in the 100 yard dash. The other 440 relay team including Frederick Barkely, Frederick Burns, Patrick Watson, and Melvin Willis placed third in regional competition, and Roy Huffman placed sixth in shot put.

The girls' track team, under the leadership of Coach Homer Hector, did not have a very successful season. Meatrice Taylor, participating in shot put and discus, competed in sub-region and region meets. Pike County fell to the Devilettes in regular competition.

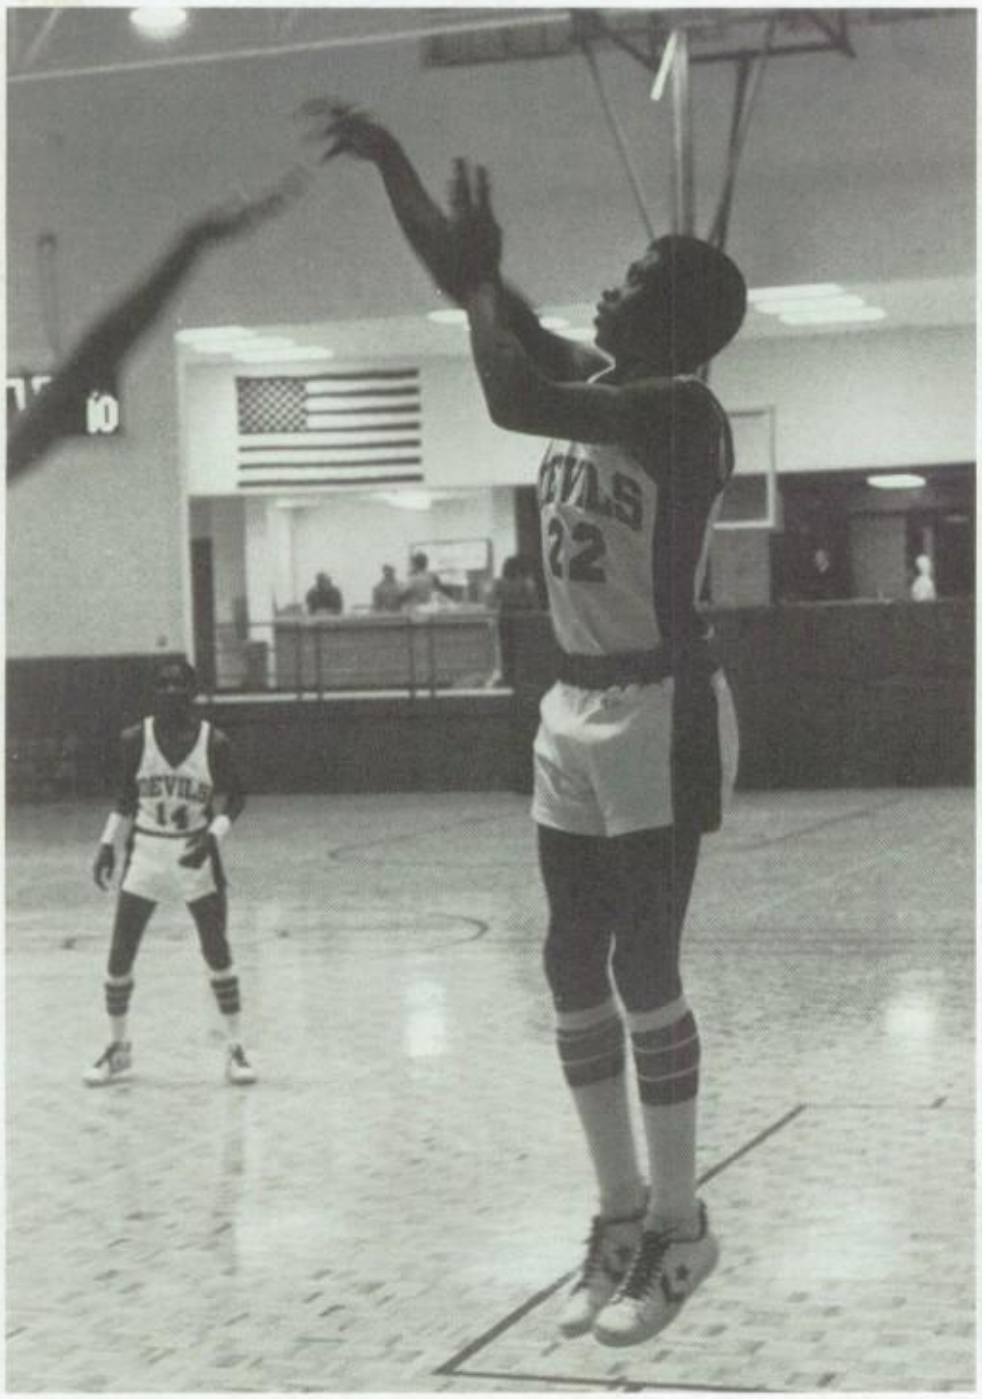
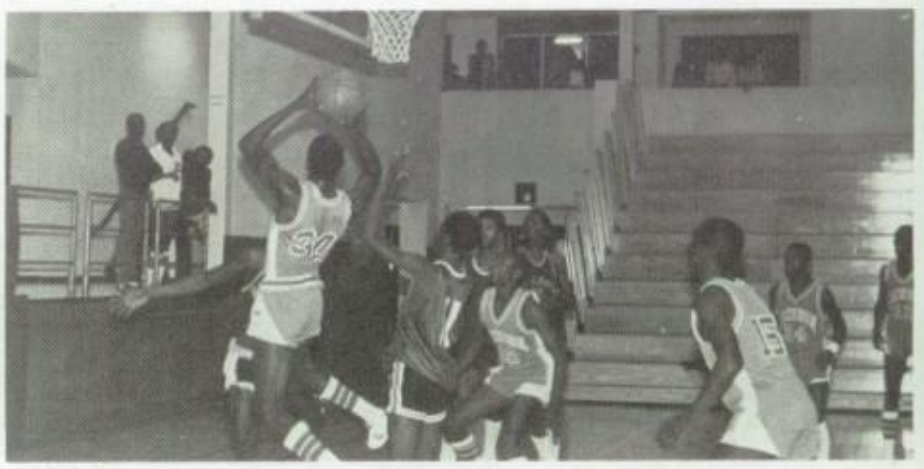
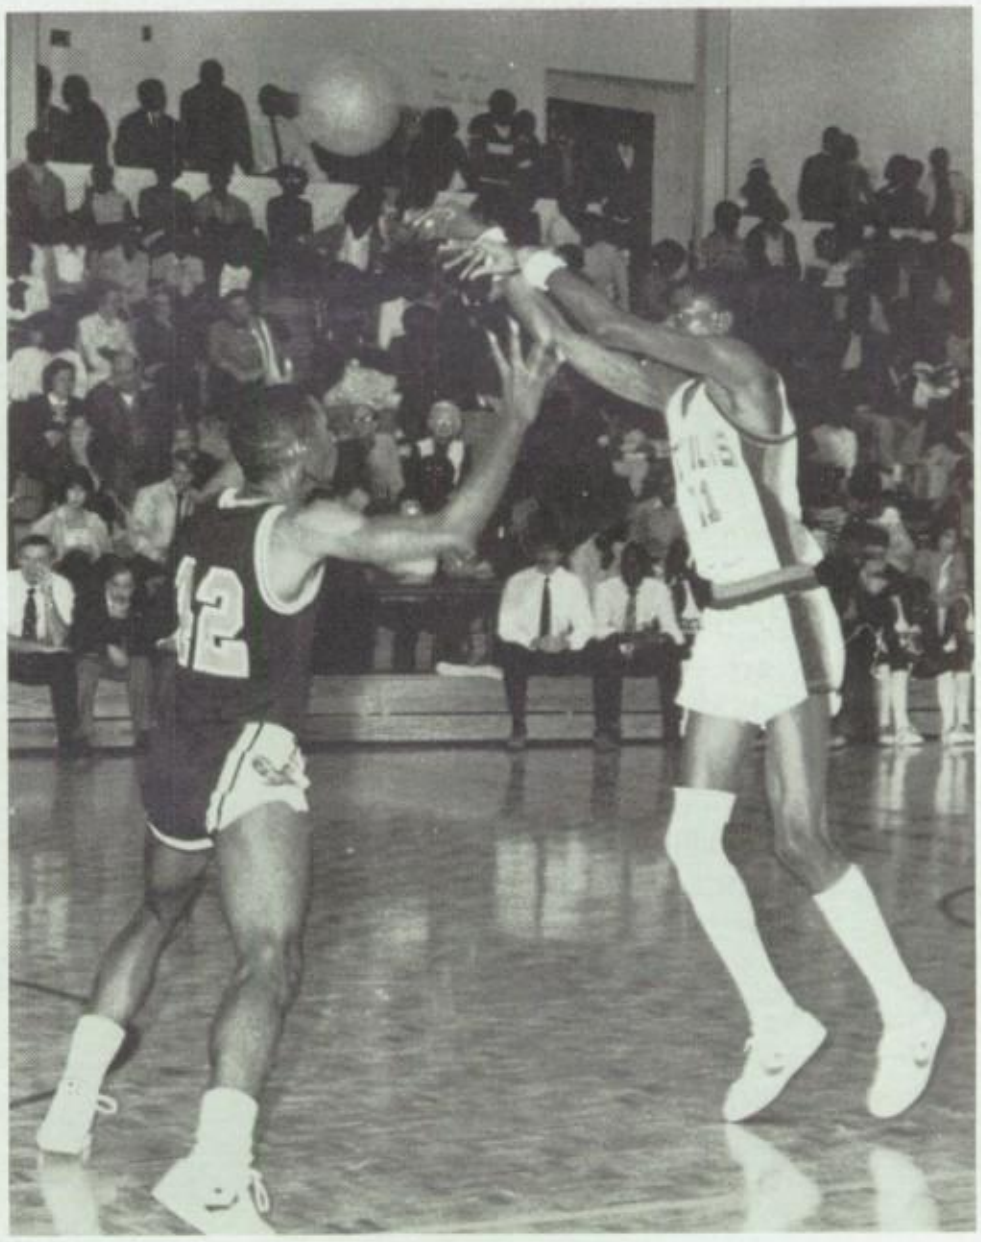
Devils reverse course in mid-season

The Red Devils had a disappointing season under first-year coach Kenny Daugherty. Jackson's record was marred by last second losses and close games that could have been won by either team, including two two-point losses via shots at the buzzer.





However, toward the end of the season those last second losses turned into victories, and the Devils' record improved. Seniors Edgar McKibben, Marvin Smith, and Modica Head provided firepower inside with their rebounding ability, and the outside shooting of Claude Grier, and Michael Sheppard, plus the ball-handling ability of Thomas Head and freshman Kenny Sims, made the Devils competitive.



Lady Devils Rebound for Winning Season

After starting slowly, the Lady Devils rebounded to even their record and eventually claimed a winning season. The fourth game of the year produced the first victory for Jackson, a 52-48 defeat of Henry County. The Lady Devils won two more and were 3-3 going into the Christmas tournament in Roberta, in which they placed third.

The next nine games saw the Lady Devils go 7-2, with two victories each over Monticello and Manchester, and with wins also over Greene County, Henry County, and Crawford County. Mary Ann Smith led the team in scoring with her great outside shooting ability. Brenda Sims and Allison Roberts piloted the Lady Devils from their guard positions. Scoring power was also added by Regina Brown, Kim Jones, and Meatrice Taylor. First-year coach Jenny Vogt did a fine job in leading her team to a successful season.

An Overpraised Season

The one act play, *An Overpraised Season,* by Richard S. Dunlop, was performed in competition by six of our JHS students under the direction of Nancy Houghtaling. The drama, a play about three high school students, was presented for a few classes during first period before the cast hit the road to Middle Georgia College in Cochran. The team placed seventh out of thirteen teams.

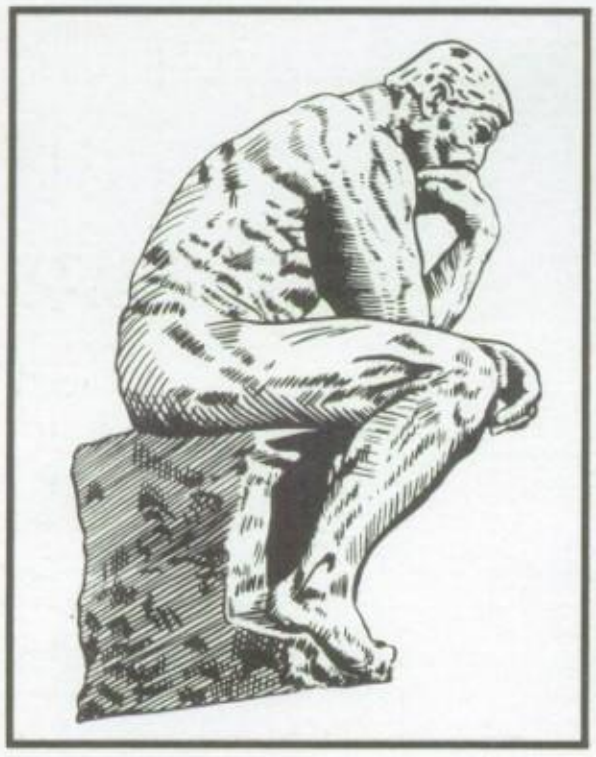
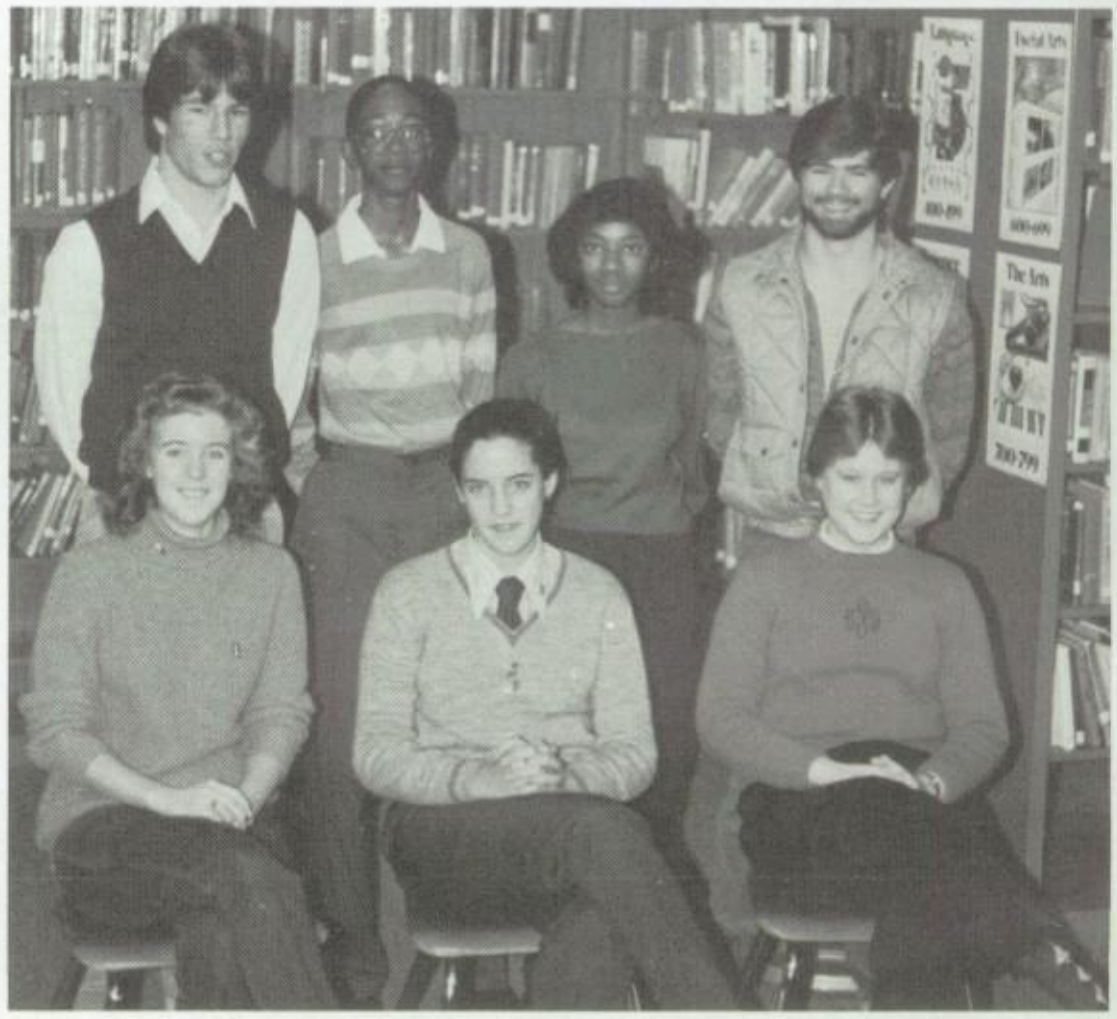
Literary Events

On March 12, 1983, eleven Jackson High students participated in the Georgia High School Association Literary Events at Hawkinsville, Georgia. The literary meet involves district competition in many areas.

Representing Jackson High School were Mary Lynn Palmer and John Halley, Essay; Holly Brown and Chris Howell, Extemporaneous speech; Marcia Ash and Wesley James, Oral speech; Gail Bryan and Carlton Mayfield, Typing; Kim Ward and Randy Browning, Spelling. Not pictured is Michele Jones, Home Economics.

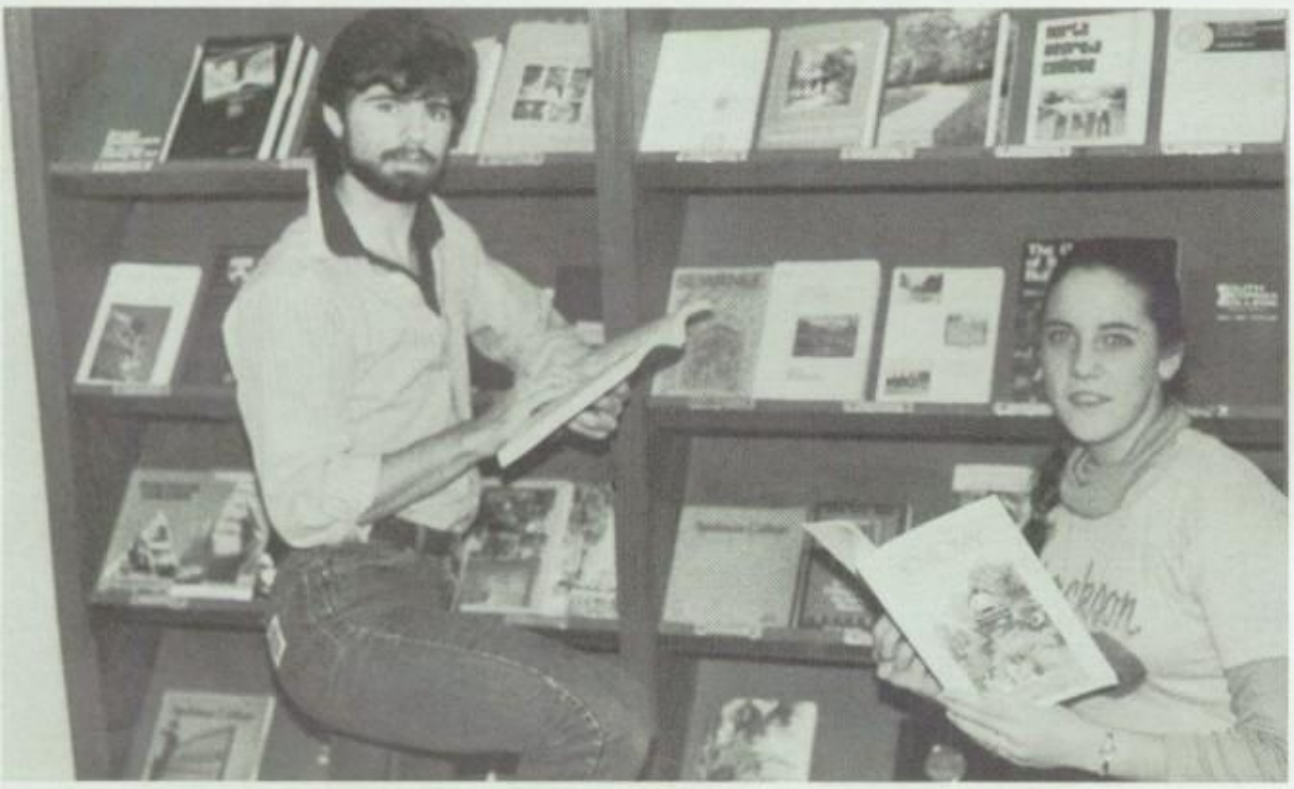




National Honor Society

The National Honor Society, under the advisement of Linda Arthur, gives a scholarship to one senior. The money for the award is raised throughout the year by NHS fund raising activities. The student is chosen on the bases of leadership, scholarship, citizenship and character.

The club started out its fund raising activities with a spirit stick hunt which was during homecoming week. Turkeygrams and Santa grams also made successful sales during the festive seasons. For Christmas, NHS decorated a tree in the lunchroom. The club finished off its successful fund raising year with the annual talent show. Many varieties of unknown student talents were displayed in this contest. To wrap up the club's activities, it hosted the Honors Day Assembly. New prospective members, rising juniors who had averages of 90 or above, were recognized and invitied to join the distinguished club.



University of Georgia Certificate of Merit

Each year the top five percent of boys and girls in the junior class receive an award from the University of Georgia, the Certificate of Merit. This award is given to honor the students who have worked exceptionally hard to maintain high grades and high honors, throughout their high school years. When asked how it feels to receive a Certificate of Merit honor, this is how a couple of students replied:

Lori Baker:
"I feel honored to know that all those years of hard work paid off!"

Chris Howell:
"I'm very honored to receive such a prestigious award."

Honors From the Governor

Betsy Hearn, Holly Brown and Justin Waits were candidates from Jackson High School for the Governor's Honor Program. Holly and Justin represented our school in academics and Betsy in the vocational area.

The Governor's Honors Program is a learning program sponsored each year for students who are accelerated in a particular area. After giving a personal interview to a selected team of teachers, these students spend six weeks during the summer expanding their knowledge of the area in which they were chosen. Mrs. Nancy Houghtaling is coordinater of the program.

JHS 500

Baker Wins Final

The tension built as mechanics made final adjustments on their cars, preparing to race in the JHS 500.

Contestants wore determined expressions as they placed their cars on the starting line. The gate lifted. Some cars rolled fiercely down the track, others rolled slowly, but steadily. Unfortunately, many of the homemade creations ran off the track, crashed, or just would not move.

The number of contestants was quickly narrowed to two. Lori Baker and Wade Grant raced for the championship. Lori easily took the lead and won the race.

This Annual Gravity Car Race was an experiment in calculating speed and acceleration. It was part of a unit on mechanics in Miss Marion Sanders' physics class.

Students Shine

The Star Student Banquet sponsored by the Butts County Jaycees honors local high school students who scored highest on the Scholastic Aptitude Test.

This years' Star Student Banquet was held at Dudley's Restaurant on February 15.

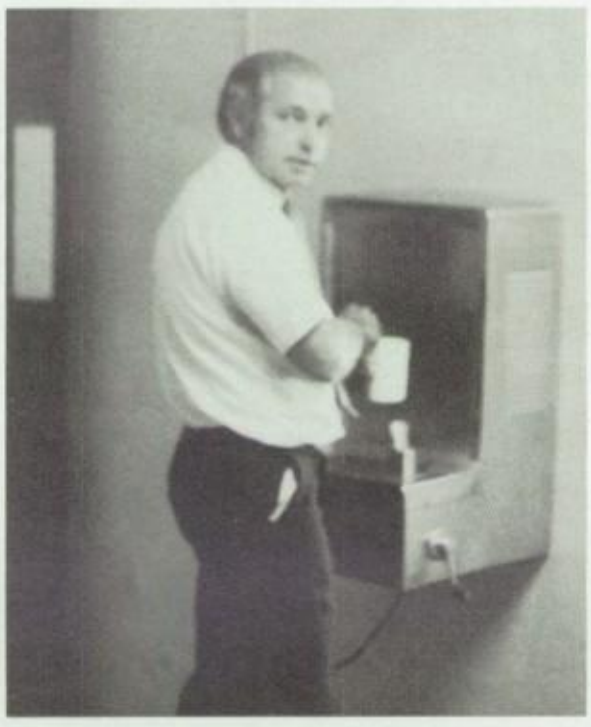
Lora Cheves, who achieved the highest S.A.T. score was chosen as Star Student for 1983.

Lora chose Mrs. Nancy Houghtaling as Star teacher for 1983. Mrs. Houghtaling has been chosen as Star teacher a total of six times.

The following students were also honored at the banquet:

Front: Debbie James, Kim Ward, Dana Hegedus, Laura Thaxton, Janet English, Marcia Ash, Mary Lynn Palmer, Lora Cheves.

Back: Linda Parrish, John Halley, Cary Hurst, Kenny Turner, Wes James, Timmy Patterson, David Anderson.



ADMINISTRATION

"The students and the teachers are what make up the school. They provide a good place to work and they provide a pleasant atmosphere." - Al Reaves.

"I love the students, I like the working relationship that I have with the teachers." - Grover McIntyre.

"A chain is only as strong as its weakest link." - Donny James.

"We are now as good as any other school in our area," stated Mr. James, referring to new improvements at JHS. He said we have some outstanding students, some poor students, and many average students. When asked about future improvements, he said he would like to make Jackson a comprehensive high school.

Organizations

Student Council Is Unifying Spirit

Student Council's main objective is the promoting of school unity and spirit. They accomplished their goal by holding the elections for homecoming and buying the flowers, sashes, and crown for the homecoming court.

Last year, they promoted patriotism by buying flags and holders for each classroom. Money for this year's school project was raised with cookie and doughnut sales and running the concession stand during baseball season.

The student council also had a big drive for which they collected canned goods for the needy during Christmas.

The 1982-83 Co-Ed-Y showed its high Christian character by doing many things to serve the school and community. They helped with the Bloodmobile, they put on a Thanksgiving assembly in which they collected food for the needy, the Y-club sang Christmas carols, and they sold doughnuts to raise money for various other activities.

Co-Ed-Y also participated in rallies with the other Y-clubs, and a boys basketball team was formed to play in district competition.

This year's Co-Ed-Y has been one of the best since it began. The advisors, Mr. McLaurin and Mrs. Baham, are very proud of these outstanding members.

I pledge my head to clearer thinking,
My heart to greater loyalty,
My hands to larger service,
And my health to better living
For my club, my community, my country,
and my world.

This pledge is the essence of the 4-H Club. Members participated in many service activities including giving teachers apples for national 4-H week, visiting the nursing home, and collecting magazines for offices and waiting rooms around Jackson.

Serving the community is not the only thing 4-H'ers do. They also have fun! Some of the recreational activites 4-H'ers took part in this year include ice skating at Parkaire Mall in Marietta, seeing *Annie* at the Civic Center, and attending district and state rallies.

Many club members also participated in District Project Achievement, doing a project in district competition against 4-H'ers from other counties, and judging events in dairy products and animals, poultry, and land.

4-H is a club full of activities and projects. Everyone has a chance to find an activity suited for him or her.

The Vocational Industrial Clubs of America are made up of students in Mr. Pippin's Work Study Program, which allows students to leave school and go to work. This program prepares students to participate in the world of work part-time before they enter it full-time.

"They'll Be Some Changes Made!"

This year at JHS multiple changes were made in the cafeteria. Among these were a salad bar which was added for the benefit of students and teachers. Consisting of a variety of fresh fruit and vegetables, each plate contains an item of protein. Also changed was the selling of weekly lunch tickets, allowing students to purchase meals on a daily basis. "The new collection procedure at the Jackson High School lunchroom gives the students an option of either buying a weekly lunch ticket or paying daily on the lunch line. Hopefully, this will appeal to students who otherwise did not want to eat every day of the week in the lunchroom. "Also the calculator/computer we use gives a more accurate lunch count for state reports." says Trellis H. Baker, School Food Service Supervisor.

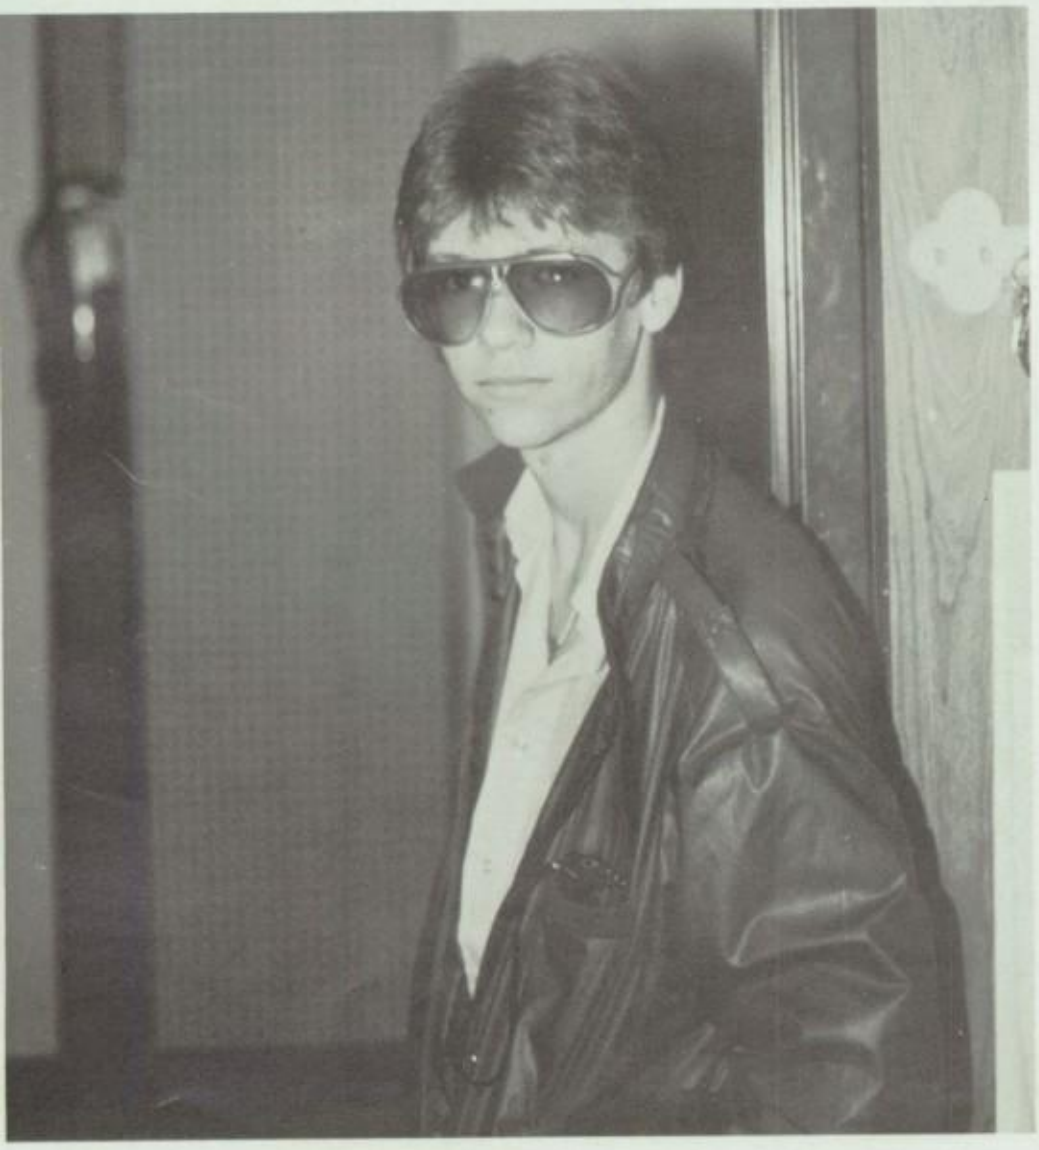
Newcomers

This year there were many newcomers to Jackson High School. A few of these are pictured here. When asked what they like about JHS, these were their replies.

"I like Jackson High compared to Rabun Gap, because I'm back with all my old friends." Leah Nix

"I like Jackson High because the people and teachers are real nice and friendly." Billy Barnes

"I like JHS. It's a nice school to go to." Frank Williams



Pictured are: Top left, Leah Nix; Top right, Missy Webb; Bottom left, Billy Barnes; Bottom right, Franklin Williams.

Close-Up '83

Eight Students from Jackson High School attended special week-long sessions in our nation's capitol along with students from all over the United States. James Thurston, Wade Grant, Chris Howell, Jim Hunt, Lisa Kilgo, Kim Lowery, Kim Presley, Ryan Adcock, and coordinator, Finley McLaurin, were all lucky enough to be able to attend the 1983 Close-Up program. Close-Up was established so that students could see how our government actually works. Senators and representatives give lectures to the students and afterwards, the students are given a chance to ask questions. But Close-Up is not just work, after the sessions, the students have a chance to go on tours of the White House, embassies, monuments and other historical sites. Seen at right are: James Thurston and Ryan Adcock. Middle: Kim Presley, Kim Lowery, and Lisa Kilgo. Bottom Left: Finley McLaurin, Chris Howell. Bottom right: Wade Grant and Jim Hunt.

A Community is more than streets and houses.

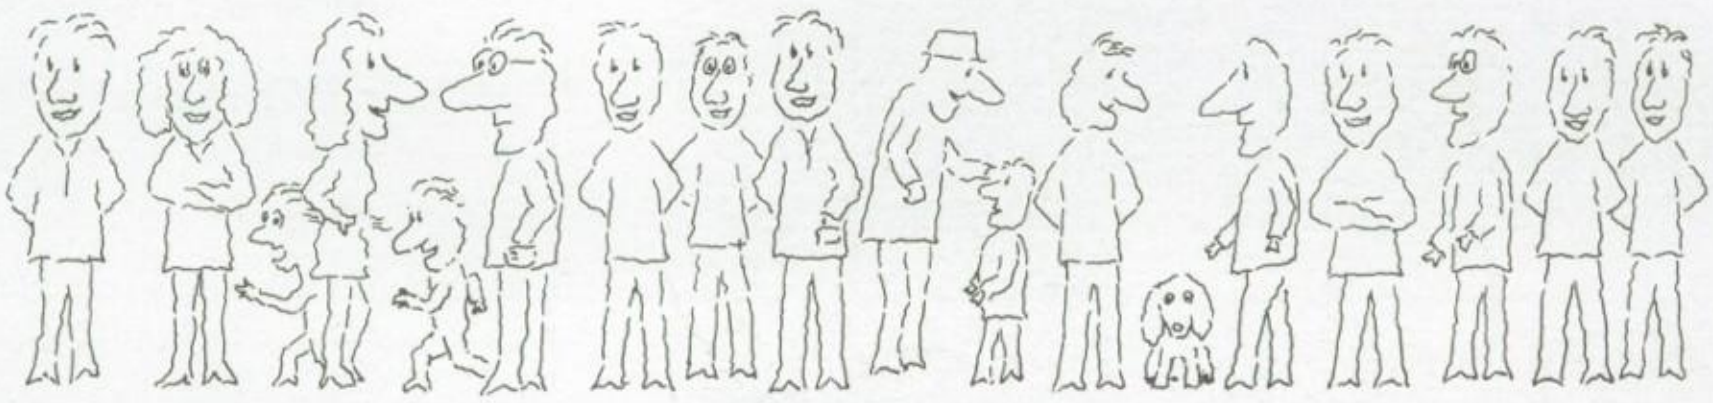
It isn't just buildings, factories and businesses that give a neighborhood its special character. It's the families who live and work and go to school there.

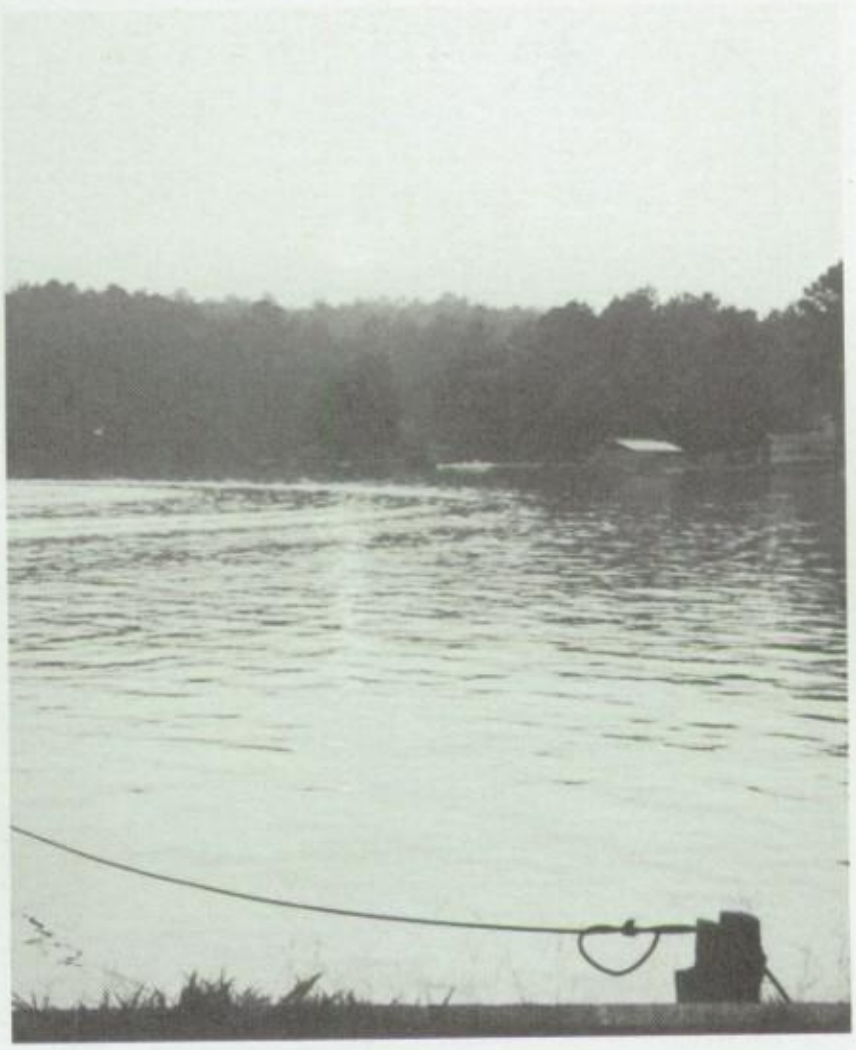
Avondale has been part of this community for many years. We've seen it grow. And we're pleased to have had a role in that growth.

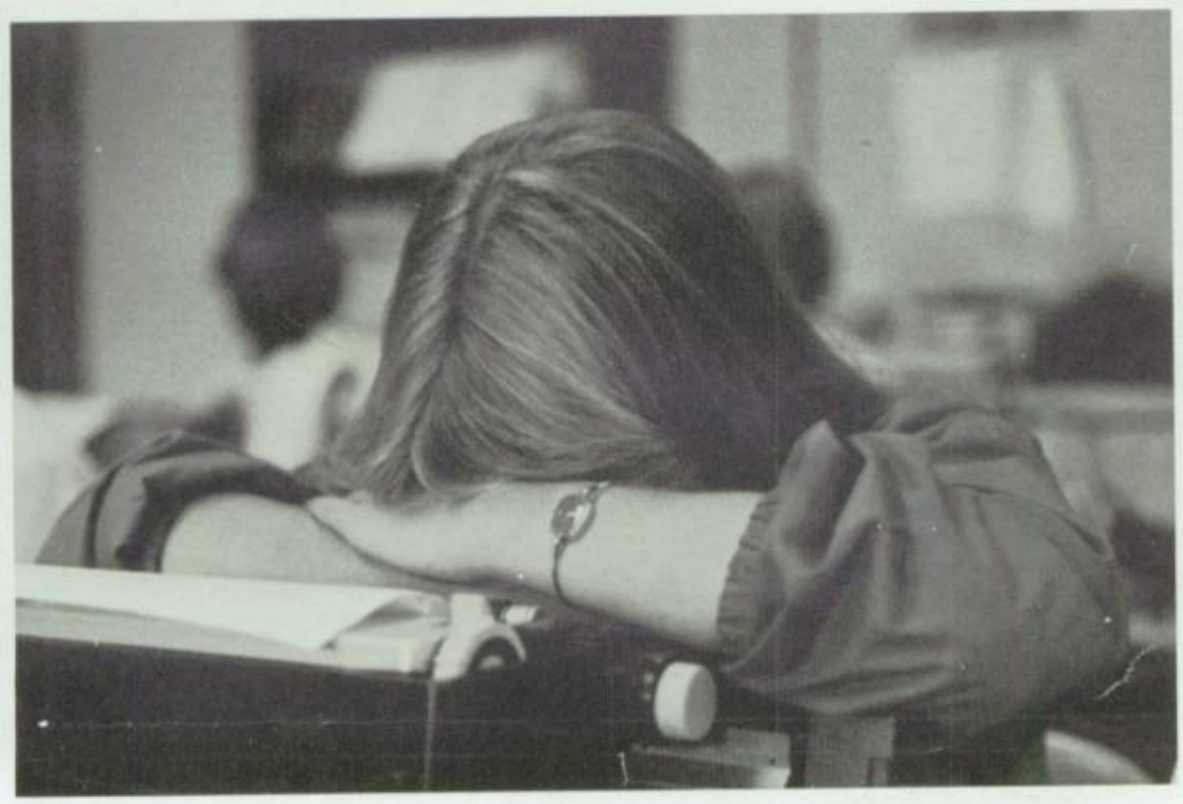
Its people are our people. The employees whose skill and workmanship have made Avondale fabrics and yarns some of the best in America.

We support the spirit of this school and this community. Involvement and co-operation have made this area such a good place to live and work. We're proud of it. And we hope you are, too.

It's people. AVONDALE







We did it! As the end of another school year approaches, we look back at what we once thought to be painstaking and wish we had it to do all over again. Many of the moments that we felt were embarrassing, are so far gone, we can now laugh about them with our friends.

The closer it gets to closing the doors of Good Ole JHS, the closer we become to our teachers and friends. We wonder how frequently we will see each other during the summer months.

And for those of us who are graduating, we have a whole different future ahead of us. We have new goals to set and new friends to meet. We will miss our old friends, but we will have our memories to carry us through.

Even though we often felt like screaming, there is one thing we will never be able to forget about JHS . . .

that wonderful Devil Spirit!!
